JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact [support@jstor.org](mailto:support@jstor.org).

**Water Supplies and Sewage Disposal—Plans to be Approved by the State Board of Health. (Chap. 73, Act Feb. 15, 1915.)**

SECTION 1. Any incorporated town or city in the State desiring to provide a new water supply for drinking or culinary purposes or any person or corporation who shall undertake to provide a new water supply for a town or city or for any number of persons exceeding 10 families or a total of 50 persons shall before performing any work on the ground (other than making examination or surveys for the preparation or provision of such water supply) submit to the State board of health plans showing the source of the supply, and the transmission and distribution systems, with further information as to the amount proposed to be taken and transmitted, the drainage areas from which the waters are to be derived, the purity and wholesomeness of the supply, the kind and character of the works for gathering, storing, and transmitting the water, and the number of persons to be supplied, together with any additional data which the board of health may require as in its judgment proper to enable it to pass intelligently upon the effect of such water supply upon the public health. No such work shall be undertaken or proceeded with until the board of health shall have approved such plans either as originally offered or as modified pursuant to its requirements.

SEC. 2. Any city or town in the State proposing a sewer system or any individual or corporation proposing to install a system of sewerage or disposal of waste products for the use of more than five families or 50 persons shall before undertaking any work on the ground, other than making surveys and preliminary plans, submit to the State board of health the full plans and specifications for the system, showing particularly the location of the outfall and the streams or other places of final disposal, and the method, if any, for the reduction, purification, or use of the sewage. No such plan shall be proceeded with or work done thereon until the plans and specifications either as originally proposed or modified are approved by the State board of health.

SEC. 3. Any violation of the provisions of this act shall be a misdemeanor and shall be punished by a fine of not more than \$500 or by imprisonment of not more than six months in the county jail, and every person in any way responsible for the proceeding with the actual construction of such work until the approval of the State board of health shall have been given thereon shall be deemed guilty of a violation of this act. The State board of health may by proceeding in the proper court enjoin any construction of sewerage or sewage disposal to which it has not given its approval.

[This act becomes effective May 22, 1915.]

**UTAH.****State Board of Health—Secretary—Qualifications, Duties, and Salary. (Chap. 60, Act Mar. 16, 1915.)**

SECTION 1. That section 1102, Compiled Laws of Utah, 1907, be, and the same is hereby, amended to read as follows:

"1102. The secretary of the State board of health shall be State health commissioner and shall perform and superintend the work prescribed in this title and shall perform such other duties as the board may require. He shall keep the minutes of all meetings, make quarterly reports to the board, and employ, subject to the confirmation of the board, all necessary employees. The secretary shall be a licensed physician in good standing of temperate habits and good moral character, and shall be thoroughly informed and experienced in all matters pertaining to hygiene and sanitation and skilled in the management and treatment of infectious and contagious diseases. The secretary shall give his entire time to the duties of his office and shall receive from the State treasury in quarterly payments an annual salary of \$4,000 and such actual and necessary traveling expenses as shall be allowed by the State board of examiners on presentation of an itemized account certified by the State board of health. All other expenses of the board of health shall be paid out of the appropriations made for that purpose."
